

VOLCAN GRILL

THIS IS AN EXCURSION WITH A DIFFERENCE !!!

We start the excursion by going to the famous 'FIRE MOUNTAINS' where you will be shown the experiments demonstrating the intense heat below the earth's surface. You will then be taken for a ride around the 'VOLCANO ROUTE' where you will be able to take magnificent photos of the immense sea of lava poured out by the historical eruption which occurred in the year 1730 and 1824. Where you will be entertained by live music whilst enjoying your BARBECUE GRILLED evening meal at the largest ranch on the Island.

A wonderful time for all age groups !!!!
